Baptist Seminary of Kentucky

Baptist Seminary of Kentucky is a community learning together to cultivate the habits and practices of faithful Christian living, a place where we:
  ask questions,
  nurture intellectual and spiritual gifts,
  explore our Christian heritage,
  develop our theological imagination,
  and pursue God’s calling on our lives.

At BSK we strive to integrate the best insights of academia with a commitment to genuine spiritual formation and hands-on practice of ministry. While we value our Baptist roots, we also aspire to a global and ecumenical vision of the church.

Located in Georgetown, Kentucky, on the campus of Georgetown College, BSK is a free-standing seminary. We offer a Master of Divinity degree designed to prepare men and women for Christian ministry in a local church or in a wide variety of other contexts. A concentration is available in Pastoral Care and Counseling.

Georgetown College

Georgetown College is a small, residential, co-educational liberal arts college distinguished by a combination of respected, rigorous undergraduate and graduate programs, an array of opportunities for involvement and leadership, and a commitment to Christian values and its distinctive heritage. This provides an environment for intellectual, spiritual and social growth.

Georgetown, Kentucky

Georgetown is a beautiful small town located in the heart of horse country. It is 12 miles north of Lexington, a city of just over a quarter million people. Georgetown, located off I-75, is the home of the Toyota Motor Plant; Ward Hall built in 1853 and referred to as the finest example of Greek Revival Architecture in the south; the Cardome Centre, former monastery building designed for the Sisters of the Visitation in 1898; and St Francis de Sales Mission, the oldest church in the Diocese of Covington
built in 1794. Georgetown is also the home of pro football's Cincinnati Bengals Football Training Camp and five miles from the world famous Kentucky Horse Park.

**Students**

Baptist Seminary of Kentucky welcomes a wide variety of students. While a majority of our students are Baptist, we encourage an ecumenical atmosphere and have representatives from a variety of theological perspectives. Our student body is diverse consisting of men and women from various ethnic backgrounds, surrounding states, and a wide age range.

**Faculty**

The Baptist Seminary of Kentucky faculty represents a broad range of teaching experience and careful preparation. The faculty, full-time and adjunct, all hold appropriate degrees (in most cases a terminal research degree) from regionally accredited institutions. A complete listing of faculty credentials is found on pages 43-45.

**Anna Ashcraft Ensor Learning Resource Center**

The Library at Georgetown College provides an environment of information resources with personalized service to engage our community of learners in intellectual and spiritual growth.

**Accreditation**

**Community**

BSK believes that the shared experience of study and community is a crucial aspect of theological education and we encourage all students to participate as much as possible in the life of the seminary. Community worship, followed by a fellowship dinner, is experienced together on a regular basis. Other events throughout the school year are designed to bring the faculty, staff, and students together to share their lives, pray together, and encourage one another.

History of Baptist Seminary of Kentucky

The founding of Baptist Seminary of Kentucky is a response to the social and religious ferment of our times, especially among Baptists in the South. Demographic, political and theological forces are reshaping this dynamic region of the country. Within the last quarter century no fewer than 15 new schools have been established to prepare people for ministry. The following is a list of significant events in the development of Baptist Seminary of Kentucky.

1995: Baptist ministers and laity gather first in Elizabethtown and then again in Frankfort for what was called the Kentucky Consultation on Baptist Theological Education.

1995: A Joint Venture Committee is created by the Kentucky Baptist Fellowship to explore partnership opportunities with existing seminaries in Kentucky and elsewhere.

1996: The Joint Venture Committee becomes an autonomous group and secures incorporation from the Commonwealth of Kentucky, creating the Baptist Seminary of Kentucky and naming eleven Trustees. The Committee for Baptist Seminary of Kentucky also continues to function as the main working group.

1997: The Trustees of Baptist Seminary of Kentucky launch a series of meetings around the Commonwealth to ascertain needs and interests.

2001: The Baptist Seminary of Kentucky elects long-time Kentucky pastor (Louisville, Murray and Georgetown) Dr. Greg Earwood as its first president.

2002: The Seminary announces plans in March to hire additional personnel (administrative and academic) and open classes in the fall of 2002.

2002: Classes begin at Calvary Baptist Church in Lexington, Kentucky, in August with 14 students in the first class. Dr. Dalen Jackson is the first full-time faculty member who had been elected by the Trustees in the summer as Associate Professor of Biblical Studies.

2005: The Seminary holds its first Commencement with three graduates. Dr. Glenn Hinson delivered the Commencement address.

2005: On August 1, Baptist Seminary of Kentucky re-locates to the campus of Lexington Theological Seminary. While remaining separate institutions with distinct-
itive identities, the two seminaries are "sharing space and sharing grace."

**2007:** On September 8, the Seminary celebrates its Encenía, a celebration of the founding of Baptist Seminary of Kentucky. Dr. Emmanuel McCall is the guest speaker.

**2008:** On March 10, Baptist Seminary of Kentucky installs the school’s first Academic Dean. Dr. Dalen Jackson becomes the Dean after serving for five years as Associate Professor of Biblical Studies.

**2009:** On March 6, Baptist Seminary of Kentucky launches the Dr. E. Glenn Hinson Lecture Series. Dr. Hinson, honored for his 50 years of theological teaching, delivers the inaugural lecture.

**2010:** In the summer of 2010 the Board of Trustee votes to relocate to the campus of Georgetown College in Georgetown, Kentucky.

**2010:** Baptist Seminary of Kentucky received Associate Membership into the Association of Theological Schools.

Pastoral Care and Counseling Concentration

Baptist Seminary of Kentucky has designed a program that will provide training in pastoral care and counseling within the context of the Master of Divinity studies. This emphasis will enable students to take strong steps toward licensure or certification. This program is offered under the direction of Dr. Wade Rowatt, Professor of Pastoral Care, and Dr. Rick Landon, Adjunct Professor of Spirituality and Pastoral Care.

18 Pastoral Care and Counseling (PCC) hours are required in addition to the 72 hours of Core Requirements. Two electives (6 hours) from any area except PCC may be substituted in place of the two required electives in the Witness of the Scriptures core area.

Academic Information

Academic Honor
Mutual trust is a basic component of any community. Baptist Seminary of Kentucky expects its students, as members of an academic and Christian community, to take seriously their positions in that community. Students are expected to ensure the continuance of trust among themselves and between them and the faculty by accepting responsibility for their own work. The Seminary considers breaches of this trust and responsibility to be serious offenses. Offenses that constitute violation of academic honor include plagiarism, cheating, lying, and academic theft.

Academic Probation
A grade point average of 2.5 (B/C) is considered the minimum for satisfactory progress toward the degree of Master of Divinity. A student whose average falls below 2.5 will be placed on academic probation. A student whose average falls below 2.0 in any semester must have a conference with the Academic Dean to discuss methods for improving course performance. The student placed on academic probation is required to reduce course load to no more than 8 hours per semester and will be reviewed regularly for improvement in progress toward the degree. If the student’s work does not meet the 2.5 minimum standards in the following semester, he/she will be asked to withdraw from the Seminary.

Academic Probation or Termination Appeal Process
Upon notice of probation or termination, a student may appeal that decision within 14 days by letter to the Academic Dean, detailing circumstances causing the unsatisfactory grades or attendance and the measures that have been or will be taken to alleviate the problem. The Academic Dean will have 14 days to review the appeal and notify the student of the school’s decision regarding his/her probation or termination.

Advising System
Upon enrolling in Baptist Seminary of Kentucky, each degree seeking student will be assigned an advisor who will remain a permanent advisor for the remainder of the student’s program. Students may request a change in advisors after completion of 12 hours of study. Students should request permission of the professor prior to requesting he/she serve as advisor.

Attendance and Illness
Regular attendance in scheduled class sessions is important to the learning process and especially crucial to the interactive nature of courses at Baptist Seminary of Kentucky. Faculty and students are accountable to one another within a community of learning and should strive to be good stewards of both our own time and opportunities and those of others.
Auditing Courses
Baptist Seminary of Kentucky encourages and welcomes persons who wish to audit courses. No papers or examinations will be required or graded. Audit fees are $50 per hour of classroom instruction. For example, if a class meets three hours each week, the audit fee is $150 for the semester.

Clinical Pastoral Education (CPE)
For BSK MDiv. students taking CPE:
If a BSK student in the Master of Divinity degree program desires academic credit (ordinarily 6 semester hours credit) for an accredited clinical pastoral education unit, then he or she must register for CPE at BSK during the registration period prior to the term when the CPE unit will be taken. The student should gain acceptance in the CPE program before registering for BSK credit. The student will be responsible for paying the CPE center’s fee directly to the center. The student also will be assessed an administrative fee of $150, which is due to BSK on the first day of the academic term for which the student is registered unless prior arrangements have been made. The student is responsible for having the CPE center mail directly to the BSK academic office written verification from the CPE supervisor/professor indicating that the unit was successfully completed and a full unit of CPE credit extended and the grade assigned for that unit.

For MDiv. students who have previously taken CPE:
BSK will consider academic credit for CPE units completed prior to the student’s acceptance into the Master of Divinity program at BSK. The student will be assessed an administrative fee of $150.00 per unit of CPE to have the credit officially recorded on the student’s record. The student is responsible for having the CPE center mail directly to the BSK academic office written verification from the CPE supervisor/professor indicating that the unit was successfully completed and a full unit of CPE credit extended and the grade assigned for that unit. Approval of the academic credit for a CPE unit from an ACPE, Inc. accredited agency will be determined by the Academic Dean.

For non-degree students:
Students not enrolled in the Master of Divinity Program at BSK may enroll as special students in order to have the credit officially recorded as academic credit. These students will need to complete and submit the BSK application for special student status and pay an application fee of $30. The student also will be assessed an administrative fee of $150, which is due to BSK on the first day of the academic term for which the student is registered unless prior arrangements have been made. The student is responsible for having the CPE center mail directly to the BSK academic office written verification from the CPE supervisor/professor indicating that the unit was successfully completed and a full unit of CPE credit extended and
the grade assigned for that unit. Approval of the academic credit for a CPE unit from an ACPE, Inc. accredited agency will be determined by the Academic Dean.

Course Changes—Adding and Dropping
To request a change in registration prior to the start of classes, a “Course Change Request” form should be submitted to the academic office. An advisor’s signature is required to drop and/or add courses after the start of classes. If the advisor is not available, the student should contact the academic office. Courses dropped by the drop deadline will not appear on the student’s grade report or permanent record. Reimbursements of tuition may be received through the drop date designated on the seminary calendar. Students and veterans receiving VA education benefits will be refunded tuition and other charges on a pro-rated basis as outlined by federal regulations. Refunds will be mailed within 40 days after submitting the appropriate drop/add form.

Course Loads
The Master of Divinity degree is designed so that it can be completed in three years. In order to do this, the student must accumulate an average of 30 semester hours per academic year.

The normal academic load is 24 hours per academic year. Students are considered to be full-time if they are enrolled in 20 hours of coursework per academic year; however, at this rate a student cannot graduate in three years.

Students planning to take summer and January courses in order to expedite completion of the degree should plan to take elective courses during those terms.

Disabilities
The Seminary complies with the Americans with Disabilities Act and with Section 504 of the Rehabilitation Act of 1973 regarding students with disabilities. No otherwise qualified individual shall be denied access to or participation in the services, programs, and activities of the Seminary solely on the basis of a disability. The Seminary shall provide accommodations for each eligible student who has a physical or mental impairment that substantially limits a major life activity, has a record or history of such impairment, or is regarded as having such impairment.

Each eligible student is responsible for presenting relevant (no more than three years old), verifiable, professional documentation and/or assessment reports to the Dean’s office. If recent documentation is not available, the student should write a letter outlining his or her disability. Information concerning a student’s disability is treated in a confidential manner in accordance with applicable federal laws. Documentation presented shall be reviewed to verify the existence of a disability. Further documentation may be required from the student to substantiate the claim of a
disability or to assist the Seminary in determining appropriate accommodations. Students must contact the Seminary office within two weeks of admission for an initial discussion and no later than two weeks prior to the first day of classes for each academic term for which accommodations are requested. The Dean’s office shall prepare letters to appropriate faculty members concerning specific, reasonable, academic adjustments for the student.

The Seminary prohibits discrimination or harassment based on disabilities.

Final Examinations
Final examinations are conducted near the end of each term during the regular class time. Students must take exams at the scheduled time unless they have obtained prior permission from the instructor. Exams may be “made up” only after the scheduled time. In many cases this will result in the student receiving a grade of “I” for the course for that semester, and the regulations regarding “Incomplete” course grades will apply.

Grade Reports
Course grades will be mailed to students within approximately six weeks after the end of the term unless there is a financial hold, in which case grades will be sent upon full payment.

Grading System and Quality Points
The method and manner of evaluation for course grades is left to the discretion of each professor as outlined in their course syllabus. A student may take an examination or submit an assigned project at a time other than the scheduled one only under extenuating circumstances and with permission from the professor.

Cumulative grade point averages are computed on a quality point system. The interpretation of the letter grade and their quality point value is as follows:

<table>

| B/C | Slightly more that course essentials | 2.5 | 81%-78%  
| C  | Course essentials | 2.0 | 77%-70%

Graduation Requirements
In order to meet requirements for a Master of Divinity degree from Baptist Seminary of Kentucky, a student must complete each of the following requirements:
1. Complete a minimum of 90 semester hours of academic credit in specified courses as listed in student degree program;
2. Achieve a cumulative grade point average of 2.50; and
3. Complete a minimum of 45 hours at Baptist Seminary of Kentucky.

Incomplete Courses
A grade of “Incomplete” (“I”) will be assigned if, due to exceptional circumstances and with the prior approval of the course instructor, a student is not able to complete the required course work during the semester. The seminary recognizes the pressures that students often face, and faculty members are committed to helping students succeed. The seminary must ask, however, that students be diligent in communicating the need for additional time and in completing assignments in a timely manner when additional time is given.

Students who believe they meet the necessary conditions to be assigned an incomplete should secure a “Request for Incomplete” form from the academic office and complete the form in consultation with the course instructor no later than the final week of the semester. The form should specify the student’s name and student identification number, the title and number of the course, the name of the course instructor, and a description of the specific assignments that will need to be completed. The instructor should sign the form and assign a provisional grade for the student on the basis of work currently completed. The incomplete grade will revert to this provisional grade if assignments are not completed to remove the incomplete within the prescribed time period. An instructor should assign a provisional grade of “F” if a student has not demonstrated learning appropriate for the assignment of a grade that indicates adequate completion of the learning objectives for the course.

Approval of the request for an incomplete grade is at the discretion of the course instructor. Upon approval, the instructor will submit the “Request for Incomplete” form with grade sheets at the end of the semester. All work must then be completed within one calendar year of the assignment of the “Incomplete” grade. At any time prior to the end of that year, the instructor may submit a grade based on completion of the work. If no new grade is submitted, the “I” will be replaced with the provisional grade previously assigned by the instructor. If the student has not completed the work by the end of the first semester following assignment of more than one “Incomplete” grade, the student will be placed on academic probation and required to reduce course load to no more than 8 hours in the following semester. Students who are on academic probation are not eligible for financial assistance or scholarships.
Repeating a Course
If a student receives a grade of “D” or “F”, he or she may repeat the course once for credit but only at Baptist Seminary of Kentucky. A student may not take the course at another school and transfer the credit. Although all grades that a student earns appear on the student’s record, the grade received the last time the course is taken is the only grade that is calculated into the grade point average. Financial aid and/or scholarship awards may not be used toward any course that is repeated.

Registration
Prior to registering for a term, all students in a degree program are encouraged to meet with their advisors to determine the most appropriate courses for that term and complete the registration form. Completed forms should be returned to the Seminary academic office.

There is a designated “pre-registration” period each semester. The two-week period in the fall covers registration for the following January and Spring terms. The period in the spring covers Summer and Fall terms. Active students are expected to register during the pre-registration periods.

Registration requests are honored if at all possible. If it is determined that adjustments need to be made to a request, the student will be contacted. Provided the request is received during the pre-registration period, priority will be given first to persons nearing graduation, degree-seeking students and then in the order of submission of the request. Students will be provided with a final schedule.

Resignation from Baptist Seminary of Kentucky
To resign officially from Baptist Seminary of Kentucky, a student must submit a “Class Withdrawal” form for all courses for which he/she is registered. A grade of “W” will be assigned if the student resigns by the withdrawal deadline. Students resigning after the deadline will receive a grade of “F” for all courses in which they were enrolled in the semester of resignation, except in the case of extreme personal circumstances and with appropriate documentation, in which case a grade of “W” may be granted. Students who do not formally change their schedule, withdraw from courses, or resign from the Seminary may be assigned a grade of “F.” Non-attendance does not constitute official schedule change, withdrawal, or resignation.

Time Limits
The Master of Divinity degree has a time limit of six years for completion. If additional time is needed to complete a degree, the student must submit the “Request for 6 Years Time Limit” form and a proposal for the completion of the degree. The student consults with his/her advisor and provides the written request to the academic office. The appropriate faculty committee reviews the request and a recom-
mendation is made to the full faculty for action. Extensions may require additional course work.

**Transfer of Credit**
Transfer credits are considered on a case-by-case basis. Only courses with a grade of at least a “B” or its equivalent from an accredited graduate institution are transferable. Grades earned for credits transferred are not included in calculation of a student’s grade point average. The majority of credits for the Master of Divinity degree must be earned at Baptist Seminary of Kentucky.

**Transcript Requests**
All academic records are held at the Registrar’s office at Georgetown College and a copy of the student’s academic record (Transcript) may be obtained through that office at a cost of $5.00 per request. Transcripts will include the entire record of a student’s academic history at Baptist Seminary of Kentucky. Requests for release of a transcript must be in writing and contain an original signature. Telephone, fax, or email requests will not be honored.

Current students must use the “Transcript Request” form. For student’s convenience, these forms are kept in the academic office. Requests from students/former students with unmet financial obligations will not be honored until the obligation is met.

The transcript may be provided to the student/former student or mailed directly to a third party. The transcript will be provided along with a cover sheet. A copy of the cover sheet is attached to the request and maintained in the student’s file.

Please allow a minimum of three work days for preparation of a transcript. Transcripts must be pre-paid. There will be no credit or invoicing.

Current students (those enrolled in a class in the last academic year) are not charged for transcripts for scholarship applications. Recent alumni (those who graduated in the last academic year) are not charged for transcripts. Transcripts for all other current students/former students/ alumni/ae are $5 per copy.

Students may submit a “Transcript Request” form to:

Tutorials
Tutorials are a type of study in which students work independently under the necessary and sufficient guidance of a supervising instructor. Tutorials may be taken in any area of the curriculum, but normally are undertaken only in areas not offered, or not offered on a regular basis, in the regular curriculum. To be eligible to enroll for a tutorial, students must have a grade point average of at least 3.0 and must have completed at least 20 semester hours toward the seminary degree. A student wishing to engage in a tutorial should consult with a BSK fulltime faculty member or a supervisor approved by the academic dean to plan the project. Students are encouraged to be active in the development of tutorial courses in areas of their special interest. Learning objectives for a tutorial course should be comparable in scope to learning objectives for a course of the same number of semester hours taught in a regular classroom setting. The professor and student should prepare a “Tutorial Application” form and syllabus to be submitted to the Academic Dean for approval. Upon approval, the student will be allowed to register for the tutorial in a regular academic term.

Tutorials have the same registration dates and tuition costs as other classes and must be completed by the end of the term in which they are registered. Normally students may register for no more than 18 hours of tutorial work towards a degree. Exceptions to any of the above guidelines must be approved by the Academic Dean.

Withdrawals
A student may withdraw from a course after the drop deadline and no later than the withdrawal deadline. The student must complete and submit a “Class Withdrawal” form no later than the withdrawal deadline. A grade of “W” will be assigned, and it will appear on the student’s grade report and on the permanent record. Withdrawals are not used to compute grade point average. Any student who withdraws after the withdrawal deadline or who fails to complete and submit the Class Withdrawal Form will be assigned a letter grade of “F” for the course. Students withdrawing between the drop deadline and the withdrawal date will be refunded tuition on a pro-rated basis. Any student withdrawing after the withdrawal deadline, outlined on the Seminary academic calendar, will not receive a tuition refund. Refunds will be mailed within 40 days after submission of the appropriate withdrawal form.

Withdraw Appeal Process
If mitigating circumstances are the reason for withdrawing from the Seminary following the withdraw deadline, a student may appeal within 14 days by letter to the Academic Dean detailing those circumstances. The student may request a tuition refund and/or a consideration of a W grade instead of the automatic F grade. The Academic Dean will have 14 days to review the appeal and notify the student of the school’s decision regarding his/her refund and grade.
