## Elective Course Descriptions

### **PAC 613 Pastoral Care: Death, Dying and Grief – Credit 3 hours**

This course is designed to equip persons in church settings for effective care and counseling with grieving individuals at a level appropriate to their role and education. It explores the biblical, theological, psychological, and social understandings of death, dying, and grief across the life cycle span. Ministry application will focus on the life and work of the local congregation, the ministry of chaplains, and pastoral counseling.

*Prerequisite: PAC 601 or PAC 609*

### **SPF 699 Theological Research – Credit 3 hours**

An immersion into the informational and formational aspects of theological reading, research, and writing.

### **THE 501 Christian Vocation – Credit 3 hours**

This course is designed as an introduction to Christian vocation. Students will be guided through a reflection on Scripture and a wide range of texts in the Christian tradition to consider the nature and purpose of God's call for all people. Readings and assignments also encourage the student to discern their sense of personal calling.

### **NTS 505 Introduction to Greek – Credit 3 hours**

An introductory course in New Testament Greek, focusing on basic principles of word formation, grammar, and syntax. This course is designed to provide a foundation for learning to read and interpret the Greek New Testament.
